### TORRANCE COUNTY FISCAL YEAR 2015-2016

### **COUNTY HISTORY**

Torrance County was created from the eastern part of Valencia County on March 16, 1903. The County was named for Francis J. Torrance, one of the promoters connected with the building of the New Mexico Central Railroad.

When the Territorial Legislature fixed the boundary of Torrance County, Progresso was named the County Seat. The first County election was held in November, 1904, time for the official organization of Torrance County grew near, but one question remained. Where were the newly elected officials to meet? Progresso was the only railroad siding, but it had no building. The Santa Fe Central Railroad came to the rescue and sent a special train to Progresso on Sunday, January 1, 1905. On Monday, January 2, 1905, the newly elected officials took the oath of office in a passenger car which served as a court house. In February, 1905, Estancia was made the County Seat.

Today, Torrance County is one of the most productive agricultural counties in the United States. The rural areas of Torrance County may be open and spacious, but they are intensively used for agriculture. Torrance County is also home to the beautiful Manzano Mountains, Salinas National Monument and vast open, undisturbed rangeland which farmers, ranchers, and wildlife call home.

RE: Torrance County Fiscal Year 2016 Final Budget

Dear Ms. Mignardot:

Please find the attached Final Budget for Torrance County, for Fiscal Year 2015-2016, along with Resolution No. 2015-031, adopting the final budget. The recap shows a General Fund reserve requirement of \$1,214,814, which the County has met. Budgeted fund revenues on overall funds total \$12,045,208, and budgeted fund expenditures total \$14,789,606. Salaries total \$3,864,314, and benefits total \$1,259,876. A Cost of Living salary increase was granted to County employees at \$.50 per hour, per employee. The salaries may appear to have increase beyond the \$.50 per hour, however, there are 27 pay periods in this calendar year, so most of the additional increase is due to that issue. Torrance County currently has 89 full-time employee positions. Inmate care costs are projected at \$1,407,522. Projected revenues within the indigent fund total \$289,805, while expenditures are projected at \$490,752. The expenditures are projected high due to the required Sole Community Provider payments. The county's audit for the fiscal year 2014 is \$40,000.

On behalf of the Torrance County Commission, I would like to express our appreciation of your understanding and support of Torrance County issues, and we look forward to working with you throughout another successful budget year. Should you have any questions or comments, or require additional information, please feel free to contact me.

Respectfully,

Joy Ansley County Manager
