The State of New Mexico designed the Business Recovery Grant Program to help pay your business rent, lease, or mortgage payments. Businesses can get up to \$100,000, with the average award of \$50,000, and it does not need to be paid back.

El estado de Nuevo México diseñó el Programa de Subsidios para la Recuperación de Negocios para ayudar a pagar el alquiler, el arrendamiento o la hipoteca de su negocio. Se puedan obtener hasta \$100,000, con un subsidio promedio de \$50,000, y no es necesario que sea devuelto
