### **FISCAL YEAR 2018-2019**

#### **COUNTY HISTORY**

Torrance County was created from the eastern part of Valencia County on March 16, 1903. The County was named for Francis J. Torrance, one of the promoters connected with the building of the New Mexico Central Railroad.

When the Territorial Legislature fixed the boundary of Torrance County, Progresso was named the County Seat. The first County election was held in November, 1904, time for the official organization of Torrance County grew near, but one question remained. Where were the newly elected officials to meet? Progresso was the only railroad siding, but it had no building. The Santa Fe Central Railroad came to the rescue and sent a special train to Progresso on Sunday, January 1, 1905. On Monday, January 2, 1905, the newly elected officials took the oath of office in a passenger car which served as a court house. In February, 1905, Estancia was made the County Seat.

Today, Torrance County is one of the most productive agricultural counties in the United States. The rural areas of Torrance County may be open and spacious, but they are intensively used for agriculture. Torrance County is also home to the beautiful Manzano Mountains, Salinas National Monument and vast open, undisturbed rangeland which farmers, ranchers, and wildlife call home.
