Torrance County Radio Upgrade RFP #TC FY25-26-006 Questions and Answers

Question –

Requests a two-week extension with a new due date of 1/12/26

Answer –

Extensions are not allowed, as this project needs to be completed within a specific timeframe.

Question –

Good afternoon:

I know we're past the deadline, but I was asked to pose an additional two questions:

1. Are these to be dash or remote mount radios?
2. Will Torrance County be providing Motorola Solutions a facility where they can work on the radios?

Answer #1 –

Hello,

I will provide the answers to all of your questions on 12.11.2025 by 5:00 pm. Thank you!

Answer #2 –

1. The mobile radios will be mounted dash, or console area, based on vehicle type.
2. No, there will not be a facility available for working on radios.
