- **Schwebach** – Yes
- **McCall** – Yes
- **Jaramillo** – Absent

### **Explanation of the Ordinance – Manager & Financial Advisor**

- **County Manager Jordan Barela** – Overview
  - Ordinance creates a Permanent Fund for special revenues, primarily PILT (Payment in Lieu of Taxes) revenues.
  - Key points:
    - Ordinance creates the fund but does not appropriate money into it.
    - Future Commission resolutions will decide:
      - If PILT/revenues are deposited.
      - How much and when.
    - Purpose is investment safety and preservation of principal PILT funds.
    - Ordinance includes an investment policy specific to the permanent fund principal.
    - An income fund will also be created:
      - Interest earnings from the permanent fund can be re-appropriated to the General Fund for operating expenses.
  - Notes, notice and transparency:
    - Ordinance posted Dec. 15, 2025
    - Published in multiple news outlets and online.
    - Public was given a method to submit comments ahead of the hearing.
- Process Clarification
  - **Chairman Schwebach** asks about how many public hearings and timing of action.
  - **County Manager Barela** clarifies:
    - A prior meeting published title and summary (initial step).
    - Today’s action adopts the ordinance and establishes the fund.

- No revenue is appropriated now; that will be a separate later action.

Commissioner Questions on Appropriations

- **Commissioner McCall**

- Requests explanation of how appropriations go in and come out of the fund.

County Financial Advisor, **Rob Burpo**

- Sworn in for public hearing testimony.
- Purpose of the Permanent Fund:
  - Creates a new fund under County structure.
  - Deposits IN:
    - Requires a Commission resolution (can be done annually or during the fiscal year).
  - Earnings OUT (interest):
    - Requires a Commission resolution to move earnings out of the fund to other funds.
  - Principal OUT:
    - Cannot be removed by Commission alone.
    - Requires a vote of the electorate at a regular election.
    - Must be for a specific purpose or expenditure.
    - “Permanent” is intentional; designed to protect principal.
    - Authority dates to late 1980s state legislation.
- Investment characteristics:
  - Money can be invested much like other County investments (U.S. Treasuries, agencies, etc.).
  - Difference from General Fund / Reserve:
    - Operating and reserve funds: Typically, 3–4 year maturities, lower yields.
    - Permanent Fund can invest further out on the yield curve for higher returns, still in safe instruments.
  - Current market yields (illustrative):
    - General/reserve funds: ~3.25%–3.5%.
    - Permanent Fund: ~4.25%–4.5%.
    - Roughly +1% higher earnings for permanent fund investments.

- **Chairman Schwebach**

- Clarifies today’s decision:
  - Only to establish the fund, not to fund it.
- **Mr. Burpo**
  - Confirms:
    - Two future steps if County chooses to actually fund it:
      1. Approve a Permanent Fund–specific investment policy.
      2. Approve a resolution moving PILT receipts into the Permanent Fund.

Commission Deliberation

- **Chairman Schwebach** – Position & Rationale
  - Sees the Permanent Fund as a “tool”:
    - Helps take a little more security with higher interest.
    - Depends heavily on the future of PILT (“what’s coming and what’s not”).
  - Views the fund as:
    - A solid foundation that cannot be easily spent.
    - Principal is not arbitrary spending – requires a public vote.
    - Funds remain liquid (investments can be sold) but disciplined by voter control.
  - States:
    - He supports enacting the structure now as a tool due to timing.
    - Emphasizes clarity: approving fund creation only, no funding decision yet.
- **Commissioner McCall**
  - States that he understands how it works.

Public Comment on the Ordinance

- **Chairman Schwebach**
  - Invites testimony for or against.
- Clerk/Staff response:
  - Reports:
    - No in-person sign-ups.
    - No Zoom comments on this item.

**Motion: Chairman Schwebach** motioned to exit public hearing; Seconded by **Commissioner McCall**.
