Call to Order

The meeting was called to order by Marcie Wallin.

*Roll Call*

Marcie Wallin called roll; members listed above were present.

*1) Class Breaks*

The Board reviewed Kendra Otis's suggestions for the market hog show class breaks. She suggested 9 classes, and the classes with 4 or less, only 1 hog would sell. While all other classes would sell 2 and grand would pull 1. This left the hogs 15 sale slots. The board looked over Danny Prather's suggestions for the beef class breaks. Johnny Perea suggested doing 4 classes and selling 2 out of all classes with 3 entries, and selling 1 out of class 2 which only had 2 entries. This gave steers a total of 7 sale slots.

Motion by Johnny Perea to break the hog and steer classes as discussed. Seconded by Albert Chavez. All voted Aye.

Motion passed.

Johnny Perea added that the rule about glue only being allowed on a beef's legs should not apply to tailheads. The board was in agreement

Motion by Will Neish to adjourn meeting. Seconded by Angela Redondo. All voted Aye.

Meeting adjourned.
